CONGRATULATIONS TO REPRESENTATIVE BILL LIPINSKI

HON. LANE EVANS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 17, 2004

Mr. EVANS. Mr. Speaker, today I would like to congratulate my good friend Representative BILL LIPINSKI his retirement after 22 years of dedicated service in the House of Representatives. BILL has been a close friend of mine since we were freshman together in the 98th Congress, and I know that reporting to work each day will not be the same without BILL around.

Representative LIPINSKI is a native of Chicago and works incredibly hard for the residents of the 3rd Congressional district. Even after 11 terms in Congress he still flies home nearly every weekend to address the concerns of his constituents. BILL has spent his entire career working for the people of Chicago, first in Chicago's Park District for 17 years, then as the 23rd Ward Alderman in the Chicago City Council, and then as a U.S. Congressman.

Some of BILL's greatest achievements lie in his work on the House Committee on Transportation and Infrastructure. He has done an incredible amount both for Chicago and for the entire state of Illinois and has secured millions of dollars in federal funding for improvements at both Midway and O'Hare airports. For example, in 1990 Representative LIPINSKI sponsored and helped pass the Passenger Facility Charge BILL to enable both Midway and O'Hare to finance important airport infrastructure projects.

In the 105th Congress, BILL was instrumental in passing the Transportation Equity

Act for the 21st Century, under which Illinois continues to receive an average of \$885 million per year for highway funding and \$150 million per year for mass transit programs. During the 107th Congress, Representative LIPINSKI was the author of legislation to allow Chicago's Mayor Daley to expand O'Hare International Airport without consulting the Illinois Governor, an important step of autonomy for the city.

I cannot say enough about how much I have enjoyed working with BILL. Again, Mr. Speaker, I would like to convey my sincerest thanks to Representative BILL Lipinski for his friendship and counsel, and congratulations to both him and his family on this well-deserved retirement. He has built an outstanding career during these past 22 years and will be sorely missed in the halls of Congress. I will look forward to working with his son, incoming Representative DANIEL LIPINSKI, during the coming years.

IN HONOR OF DR. STEVEN K. WEBSTER

HON. SAM FARR

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 17, 2004

Mr. FARR. Mr. Speaker, I rise today to honor Dr. Steven K. Webster, a dedicated educator and community volunteer, upon his retirement as Senior Marine Biologist at the Monterey, Bay Aquarium. Dr. Webster has diligently worked to develop and shape the aquarium's education, teacher training, and outreach programs. His dedication to the people of the Monterey Bay region has been a great benefit to the community for over twenty-five years.

As an educator at the Monterey Bay Aquarium, Dr. Webster developed the Discovery Lab programs that have served over 1.5 million children to date. There is scarcely a child in Monterey County who has not participated in one of the aquarium's free education programs, thanks in great part to Dr. Webster's vision and advocacy. In addition, Dr. Webster has initiated teacher education workshops in which over 10,000 teachers have participated free of charge. He has encouraged thousands of aquarium guides and volunteers in the aquarium's nationally recognized volunteer guide training program which he developed. Dr. Webster has served as an inspiration and has offered great encouragement to those consulting him on a career in marine biology.

Beyond his extensive career in marine biology, Dr. Webster has served in numerous volunteer community and board positions, including the Monterey Bay Chapter of the American Cetacean Society, the Cannery Row Foundation, the Lyceum of the Monterey Peninsula, the State Underwater Parks Advisory Board, the Monterey Bay National Marine Sanctuary, and the Friends of Moss Landing Marine Laboratories. An avid diving instructor and underwater photographer, Dr. Webster is a popular speaker on natural history topics ranging from the Monterey Bay to the Galapagos Islands.

Mr. Speaker, I wish to thank Dr. Webster for his outstanding and invaluable contributions to our community, and commend him for his many accomplishments. I congratulate him on his much deserved retirement and wish him the best of luck in all of his future endeavors.

PAYING TRIBUTE TO COL. JOHN E.
STAVAST (USAF RET.)

HON. SCOTT MCINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 17, 2004

Mr. MCINNIS. Mr. Speaker, it is with a sad heart that I rise to pay tribute to the passing of a great man from my district. John Stavast, a native of Denver, Colorado, recently passed away at the age of 78. Colonel Stavast dedicated 33 years of his life the armed services, in both the Army and Air Force. I am honored today to bring his contributions to the attention of this body of Congress and this Nation.

John joined the Army in 1944 and served in Europe during World War II as a gunner on B-17s. He was discharged in 1946 and enlisted again in 1949 earning his pilots wings. John trained Japanese Self Defense Force pilots in the USAF Air Training Command. While flying over North Vietnam in 1967, Colonel Stavast and his crewmate were shot down near Hanoi. Both men safely ejected and were taken prisoner. He endured torture for seven full days after his capture and remained a POW until 1972. During his time in the POW camp, the colonel, as the senior ranking officer, was responsible for over 200 American POW's at the prison near the Chinese border.

Colonel Stavast suffered numerous injuries during his imprisonment including broken bones in his back, arms and legs, and a skull fracture. He had over 6,000 flying hours when retired from the Air Force in 1980, and was awarded many medals for his service. These include three Silver Stars, two Legions of Merit, three Distinguished Flying Crosses, two Purple Hearts, the Bronze Star for Valor, and six Air Medals. After his retirement he was a member of the Military Officers Association, the Military Order of the Purple Heart, VFW, American Legion, and others. He was also a dedicated volunteer at the Veterans Administration Hospital.

Mr. Speaker, John Stavast was a dedicated patriot that selflessly served his community and country, and I am honored to pay tribute to his memory. He will be greatly missed. My thoughts and prayers go out to his family.

Wednesday, November 17, 2004

Mr. UPTON. Mr. Speaker, I rise today to pay tribute to John La Montagne, Ph.D., Deputy Director of the National Institute of Allergy and Infectious Diseases, who died suddenly on November 2, 2004. He was a true public servant who worked tirelessly to improve public health in the United States and across the world.
